ila Adreno Restore Ritual

120 minutes – RO 92

Adrenal fatigue is a 21st century syndrome. Although we all recognise that stress is part of every day life in modern times, few understand the impact that long-term stress will have on our health. Adrenal fatigue occurs when our adrenal glands can no longer meet the physiological demands of maintaining homeostasis due to stress that may be triggered by physical, emotional or psychological factors.

Vetivert, pine, cedarwood, ashwagandha and pfaffia are blended with pink Himalayan salt crystals and applied with exfoliation techniques. A wrap with the same adaptogenic herbs is applied to the torso to target the adrenal glands. Naturopathic packs are warmed and applied over the adrenals to infuse healing herbs through the skin. Float into deep relaxation during a Tibetan-style massage called Ku Nye for grounding and restoring balance.

NURTURING ENVELOPMENT RITUALS

Moroccan Rhassoul Envelopment For Velvety Skin

120 minutes - RO 96

This traditional Middle Eastern beauty ritual commences with a foot polish followed by a full body application of warmed eucalyptus-scented black soap prior to exfoliation. After a short steam bath to prepare the skin, a kessa glove is used to exfoliate the epidermal layer to remove dead surface skin. This is followed by a body masque of purifying Moroccan rhassoul mud mixed with organic rose water. While you are enveloped by the body masque, enjoy a henna and organic rose water hair masque, organic facial cleanse, exfoliation and facial massage with organic argan oil. The ritual concludes with a relaxing body massage using organic argan oil. A top-to-toe complete rejuvenation treatment for silky hair, radiant complexion and velvety soft skin.

VOYA Organic Seaweed Leaf Envelopment For Detoxification

120 minutes - RO 96

We use the finest seaweed hand-harvested from the ocean to ensure that the highest content of bio-actives is preserved. The treatment starts with a body and facial exfoliation using seaweed and spiny bamboo blended with seaweed oil. Next, the body is cocooned in whole seaweed leaves for toning and firming while special leaves are used on the face. After the envelopment and face masque have been applied, a conditioning hair masque is massaged into the scalp. After 20 minutes, the seaweed leaves are removed and the excess seaweed gel is massaged into the skin. The treatment concludes with the application of seaweed face cream, eye serum and body moisturiser.

ila Bio-Rhythm Envelopment For Jetlag

120 minutes - RO 96

The aim of this treatment is to restore the body's natural flow of energy that can be disrupted by air travel and use of electronic devices. The treatment begins with an Energy Body Polish and continues with a mud wrap, both containing high levels of minerals in ionic form which emit negative ions when warmed. These ions charge and restore the magnetic field surrounding the body that is known as the aura. A marma massage on the back soothes the nervous system finishing with a marma massage of the face while you are cocooned in a warm blanket. This treatment is the perfect remedy for jetlag.
